Dear Haddox:

This acknowledges your November 6, 2018 letter enclosing a renewal application from the captioned Association. This application has been examined and found to be in order. This letter is formal WCIRB approval for the issuance of group policies for the period January 1, 2019 to January 2020.

This approval is given with the understanding that at least 75% of the regular membership is engaged in operations properly assigned to **Building and Construction Industry (3724, 5027, 5027, 5201, 5205, 5213, 5218, 6220, 6307, 6308 and 6315 specifically)**, and that only each such member whose principal payroll (51% or more) is under this classification(s) shall be eligible to participate in the group.

At renewal, should you renew this group insurance, please refer to *Miscellaneous Regulations for the Recording and Reporting of Data – 1995, Part 3, Group Workers' Compensation Insurance*. Note that certain documents, such as copies of the articles of incorporation and bylaws (or agreement of association and rules and regulations), are required only once every five years. Our records show these documents must be resubmitted with your request to renew by **2023**.

Sincerely,

Michelle Gonzalez
